Provides to repair computer equipment following a sudden and unexpected breakdown and the resulting expenses to restore or replace electronic data.

Cyber cover

Covers damages, costs and expense for specified cyber related events with an option to add cyber crime as an insured event.

Fidelity guarantee

Covers loss of money or property due to dishonest or fraudulent behaviours of a trustee, director, employee or authorised volunteer.

Motor policy compensation

Provides a refund of the motor policy excess and compensation for the loss of no claims discount when an employee or volunteer is using their own car for the activities of the insured.

Office contents

Provides for contents which will remain at a property being hired, rented or loaned to the insured.

Professional indemnity

Covers the insured and their employees for costs and damages arising from any actual or alleged failure in carrying out specified professional services, or failing to carry out a professional duty.

For full details of what is covered, as well as exclusions and limits for each section of cover, please refer to policy documentation.

Can this product be sold without advice?

This product should be sold in line with FCA regulations and can be sold with or without advice.

How can this product be sold?

We suggest this product can be sold face to face, via telephone or electronic communication or a mix of these methods.

How is value assessed?

We assess the value of our products based on a number of metrics as well as customer and broker insight.

In carrying out this assessment, we take in to consideration the standard remuneration in our Terms of Business Agreement with you. In addition, we will consider the add-ons that form part of our product.

If you sell additional add-ons (including premium finance) alongside our product or take additional remuneration, you may affect the value for your client and will need to take this in to consideration in your value assessment.

More detail on our product approval process can be obtained on request.
